Md Omar Faruque Sarker

EDUCATION

Ph.D. Technology (Robotics), University of Wales, Newport, UK, 2010
Thesis: *Self-regulated Multi-robot Task Allocation*

M.Eng. HCI & Robotics, Korea Institute of Science & Technology,
University of Science & Technology, South Korea, 2007
Thesis: *A Knowledge-Based Service Approach for Human-Centered Robots*
Graduate courses: *Human Machine Interaction, Intelligent Control, Mobile Robotics, Computer Vision, Advanced Symbolic AI Techniques* and *Information Security*. CGPA: 4.18/4.5.

B.Sc. Mechanical Engineering, Bangladesh University of Engineering and Technology, 2005
Final-year elective courses: *Mechatronics* and *Bio-Engineering*

EMPLOYMENT

10/2007 - present PhD Student/ Research Assistant
Cognitive Robotics Research Centre, University of Wales, Newport, UK.

08/2005 - 07/2007 Postgraduate Research Assistant
Center for Cognitive Robotics, Korea Institute of Science & Technology, S. Korea

03/2005 - 07/2005 Lecturer and Coordinator (Industrial Training Program)
Dept. of CSE, International Islamic University of Chittagong, Dhaka campus, Bangladesh

10/2004 - 05/2005 Network Engineer
Institute of Info & Communication Tech., Bangladesh University of Engineering & Technology

05/2004 - 09/2004 Systems Engineer (Part-Time)
Ektoo Limited, Dhaka, Bangladesh.

11/2002 - 04/2004 Associate Editor (Part-Time)
Technology Today Ltd., Dhaka, Bangladesh.

04/2002–06/2004 Tutor (Part-time)
Institute of Info & Communication Tech., Bangladesh University of Engineering & Technology

AWARDS

10/2010 - Present University of Wales, Newport, UK Research Support Grant

10/2007 - 09/2010 EPSRC, UK PhD Studentship (Grant ref. EP/E061982/1)

05/2010 - 08/2010 Google Summer of Code Open-source Software Development Sponsorship for Tahoe-LAFS

05/2009 - 08/2009 Google Summer of Code Open-source Software Development Sponsorship for Bluez

09/2005 - 08/207 Korea Institute of Science & Technology - Int'l R & D Academy Postgraduate Scholarship

07/2000 - 06/2004 Bangladesh University of Engineering & Technology Technical Scholarship

1997 District Commissioner's Gold Medal Honour for the Best Student of the Year

1996 Prime Minister's Award for Merit List Position in SSC Examination

1995 International Friendship Award, Scouts Invitation Program, Boy Scouts of Nippon, Japan

RESEARCH INTERESTS

Networking & communication systems: *Scalable distributed processing for complex networks and clouds.*
AI and Robotics: *Bio-inspired decentralized control of multi-robot systems and application in search and rescue.*
Computer vision and image processing: *Multi-agent tracking and real-time image processing.*

TEACHING INTERESTS

Computer Networks, Information Security, Network Programming, Artificial Intelligence, Mobile Robotics, Intelligent Control, Applied Computer Vision and Multi-agent Systems.

TECHNICAL SKILLS/TOOLS

Proficient Programming Languages: *C/C++, Python, Unix shell scripts, Prolog, LaTeX.*
Tools: *Git and Darcs revision control system, OpenCV computer vision library, SwisTrack multi-robot tracker, Epuck, Myro and Player/Stage robot control frameworks, NetLogo multi-agent simulator, Xenomai Linux based real-time OS, popular Unix/Linux network servers (e.g. Apache, MySQL), Linux Netfilter IPTables security package, CORAL, XSB , FuzzyCLIPS deductive databases and logic programming knowledge-based systems.*

Familiar: *MATLAB, Tcl/Tk, HTML/XML, Java, PHP, Bluez Bluetooth stack, Tahoe-LAFS distributed P2P file system.*
